

Heartland House RCAC Rate and Information Sheet

Mission Statement

Heartland - Preston Incorporated is dedicated to the dignity of human life, recognizing that each person has physical, mental, emotional and spiritual needs and rights, and that these rights must be respected.

Heartland - Preston Incorporated believes that it is important to serve and preserve life, and to prepare for death when it is inevitable through spiritual support, understanding and empathy.

Admission to these facilities shall be based on the level of care needed, the environment most appropriate for the resident, and the availability of accommodations.

Each resident shall receive care in an ethical manner regardless of race, color, religion, national origin, sex, handicap, or age. All residents will be treated with dignity and respect.

It is our desire that all personnel employed by Heartland - Preston Incorporated will be of good moral character and will be treated justly and kindly as they uphold the policies of this organization.
